

Success Plan Goals

- Collaborative Culture

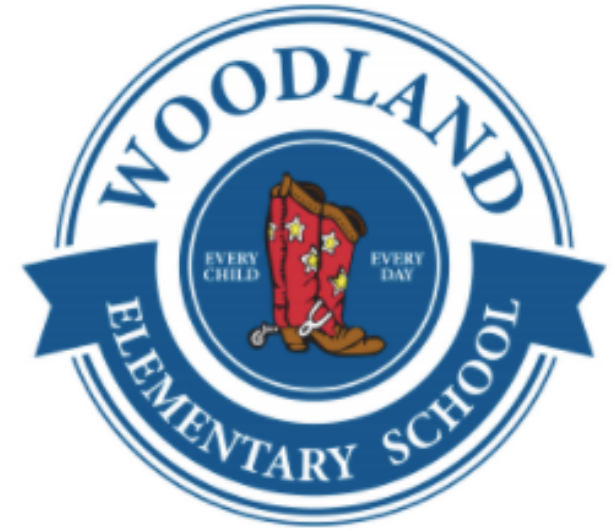

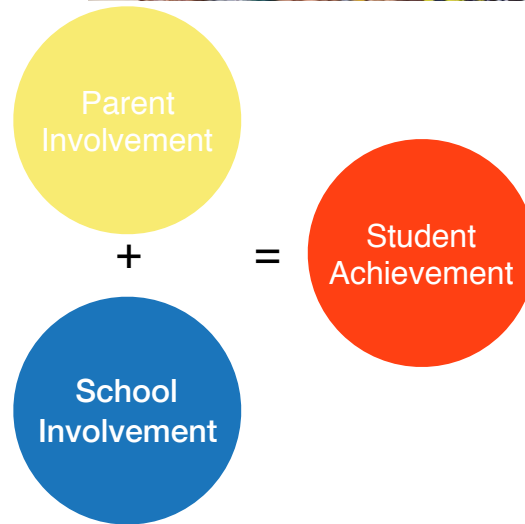

As a school community, we will intentionally plan opportunities to improve the culture and climate for adults and students.

- High Impact Instruction and Data Driven Decisions

As a school community, we will intentionally plan, deliver, and monitor lessons designed to improve student achievement.

Goals and Requirements

Parent involvement in a child's education is of great importance to ensure a child's success in school. As a Title 1 School, Woodland Elementary is committed to the involvement of families. We encourage you to view and participate in the implementation of the goals in our plan. Our goals include:

- Annual Meeting each Fall to inform families of the Title 1 Program
- Flexible scheduled parent meetings
- Establish a family and school compact to promote the connection between home and school
- Translation support for families
- Encouraging open and ongoing communication
