Parent and Family Engagement Plan

Goals and Requirements

Parent involvement in a child's education is of great importance. As a Title 1 school, Woodland is committed to the involvement of families. Families are encouraged to participate in the implementation of the goals in our plan.

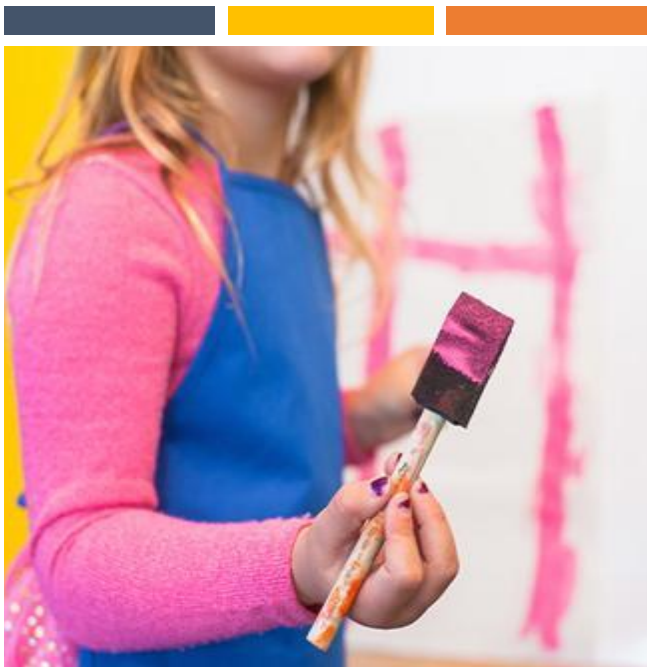

Goals of this plan include:

- Annual Fall meeting designed to inform families of the Title 1 Program
- Flexible parent meetings
- Promote a connection between school and home with a school-home compact
- Language translation
- Cultivate family centered activities
- Encourage on-going and open communication through a variety of formats

Woodland Resources

**“At the end of the day,
the most overwhelming
key to a child’s success
is the positive
involvement of parents.”**

-Jane Hull

The School Success Plan

- **High Impact Instruction**
Staff will deliver standards-based instruction to build strong content knowledge and monitor all tiers of instruction to improve student achievement
- **Data Driven Decisions**
Develop a system to analyze data to monitor growth and engage in problem-solving processes to monitor effectiveness of core instruction and intervention supports
- **Collaborative Culture**
Develop and sustain a culture of compassion and collective responsibility.
